The committee will work within the NALC / CALC policies or guidelines with delegated authority.

Any amendment or variation to these policies or guidelines will require the full support of Council

Staff are appointed to Salary scales and will be offered pay review in line with the relevant LGA agreement. Should the Committee wish to increase the salary point of any individual, as this will have long term financial implications for Parish, this must be ratified at full Parish Council

All staff will have 2 references checked and retained on file. Certificates referred to in application and proof of entitlement to work within the UK must also be collected and kept on file.

No staff within the Council require DBS as there is no unfettered access to vulnerable adults or children within the remit of the Parish.

Potential Staff that declare a spent conviction will be treated as if this was not in evidence. Staff that declare unspent convictions will be appointed under the delegated authority of the Committee upon the recommendation of the Clerk / RFO; using an appropriate risk assessment

### TERMS AND CONDITIONS **Pay Policy Statement 2020-2021 (Including terms and conditions)**

Purpose and aim of the policy statement (as appended)

This document fulfils the requirement of the Localism Act 2011 that local authorities prepare and publish a pay policy statement for each financial year. The pay policy statement is intended to provide sufficient information about pay policy to enable local taxpayers to reach an informed view about local decisions on all aspects of remuneration for relevant employees. It also sets the context for the numerical information that is published by the Council under Local Government Transparency Code 2015 and by The Accounts and Audit (England) Regulations 2011.

Where the Pay Policy Statement varies from an individual's contract the individual contract will take precedence.

#### PERFORMANCE MANAGEMENT

The Committee will hold delegated responsibility for the appraisal of the clerk, it will in turn delegate (to no more than 2 members) the duty of conducting at least one (annual) review of the Clerk / RFO. These members will report back to the committee as appropriate and with reference to GDPR. A motion to Parish to approve the appraisal will then be put forward  
Appraisal ought to be conducted at the end of the civic year; should this not be effected due to external pressure than the members working with the Clerk / RFO over the year will continue in this regard and hand over as soon as possible at the beginning of the civic year.

No other staff will be managed, directed or instructed by any Councillor or Committee member in recognition that the Clerk / RFO manages all staff within the Council

The Committee will 'grandparent' all performance appraisals of staff directly managed by the RFO / Clerk.

#### STRATEGY

The committee will be responsible for enabling the Clerk / RFO to create a structure within the Parish staffing and facilities to meet the needs of the parish

Any strategy will at least meet the needs and letter of Employment Law and good practice but will aspire to exceed minimum standards so to be considered an excellent employer.

This matter will form the basis of a motion to parish for ratification as a Part 2 item on the agenda

#### SICKNESS AND ANNUAL LEAVE ARRANGEMENTS

The Chairman or in their absence the Vice Chairman of Council will accept applications for annual leave for the Clerk / RFO and make recommendation under delegated authority to the Committee should a locum be required to enable the smooth running of the council

The Chairman or in their absence the Vice Chairman of Council will be the single point of contact in cases of RFO / Clerk sickness and will sign any medical certificate received. The content of this will be confidential and filed save the dates it serves.

#### WELFARE ARRANGEMENTS

Any member of the Committee may be approached by the Clerk / RFO when it is apparent that a welfare matter has emerged.

That individual will work with the The Chairman or in their absence the Vice Chairman of Council to resolve the matter as expediently as possible.

A spend of up to £500 will be delegated to the The Chairman or in their absence the Vice Chairman of Council should there be a genuine need for spend – this may relate to issues such as special seating or other adaptations to accommodate an individual's personal needs or responses such as the provision of Counselling following issues related to work. The spend will be noted at Parish as 'an Exigent HR matter'

#### RELATIONSHIP BETWEEN THE CLERK / RFO AND THE PARISH CHAIR

It is recognised that the Clerk / RFO and Chair have a 'special' relationship which essentially is one of mutual governance and support

It is further recognised that the Chair appointed by Council may or may not have the experience to manage this relationship and or have this knowledge base and that conflict is frequently noted and to be expected

The Committee will have a role in mitigation in these circumstances and may, as required, quite properly provide a buffer between the two, to the benefit of the smooth working of the Parish

The committee will work with employment law and the code of conduct in this matter

The Agenda will be published as appended and Minutes will reflect common practice with Part 2 items. Being broadly specific and with full regard to data protection
