

CERTIFICATE of LEGIONELLA TESTING

St Cleer Parish Council

PL14 6EE

**This property has carried out a test for the presence of
the legionella bacteria in the water system(s), as evidence
of best practice.**

**The last test was on
14 March 2022
and no legionella bacteria were detected**

Duncan S. Hollis

All bacteriological analysis
has been undertaken by fully
accredited UKAS
laboratories
