

## St Cleer Parish Council Motion Template

Date of document	15 Nov 22
Committee / Sub Committee The motion is intended for:	PC
Proposer:	K Johnson
Seconder:	

<p><b>Situation:</b> Long standing fence / gate / post defects and recent vehicle impact damage</p>
<p><b>Background:</b> There are long standing fence / gate / post defects which have been caused by impact damage from hedge cutting tractor and other circumstances and more recent vehicle impact damage as a consequence of irresponsible driving in the pavilion car park. It is opportune to resolve the long standing defects and the more recent damage in one action and a work quote has been provided as a 'commercial in confidence' addendum to this motion.</p>
<p><b>Assessment:</b> FSOs para 11.1 (h) refers back to para 10.3 which in this case applies on the basis that (a) continued stasis is unacceptable and (b) the supplied quote for works has been assessed as representing VfM from a local trade.</p>
<p><b>Proposed Motion:</b> Accept the proposed work schedule and cost in the attached quote and instruct commencement</p>
<p><b>Date received:</b></p>
<p><b>Action taken or motion rejected:</b></p>
<p><b>Signature of clerk:</b></p>
<p><b>Disposal:</b></p> <p>Parish meeting</p> <p>Date of meeting:</p>
