

## St Cleer Parish Council Motion Template

Date of document	31 Jan 23
Committee / Sub Committee The motion is intended for:	XO PC 8 Feb 23
Proposer:	
Seconder:	

**Situation:**

A planning application has generated exceptional public interest and submission of comment both to the PC and the CC planning portal by the public. St Cleer PC resolved to object to the planning application for the reasons which have been submitted to the LPA.

**Background:**

This application has generated more public interest than any previous planning application in recent history in St Cleer parish and is therefore assessed as being of critical importance to the maintenance of the well being of the community.

**Assessment:**

Given the overwhelming weight of public opinion in relation to this application it is proposed that a professional planning consultant be engaged to provide a consolidated PC response to the LPA.

**Proposed Motion:**

Engage the services of XX planning consultant to provide a consolidated PC response to the LPA in relation to PA23/00102.

**Date received:****Action taken or motion rejected:****Signature of clerk:****Disposal:**
